Dear Friends,

On behalf of The Friends of The Basilica of Saint Mary Foundation, we would like to take the time to thank you being a part of the First Annual Emmanuel Masqueray Ball. Your contribution to the event helped make the Masqueray Ball an unforgettable evening.

Because of your participation at the ball, we were able to raise more than \$325,000 for the Centennial Campaign. This money will not only help restore and maintain The Basilica of Saint Mary building, but contribute to its status as a landmark place of worship for the community of Minneapolis as well.

Thank you again for working with us during the closing event of our Centennial Celebration. It is with your help that we are able to uphold our reputation as a church with strong dedication to our community's spirit and well-being. We hope that you will work with us in the future as we continue to grow and develop. Your efforts have made the First Annual Emmanuel Masqueray Ball our gold standard for all events to come.

Sincerely,

Reverend John M. Bauer
Rector of The Basilica of Saint Mary
