Dear Dave, Karen & Stacy:

On behalf of all of us at MNCREW and the Women Run the Cities Committee, thank you so much for your generous support of our 2<sup>nd</sup> annual event which hosted nearly 1,500 women participants this year!!!

We are so pleased to have you be a part of this wonderful day. We had so many comments from women thanking us for providing enough restroom facilities! It is something that they take notice of and it couldn't have been possible with out your firm's support.

With the efforts of our committee teams, sponsors and partners we were able to continue our support of the Dare to Dream program for Girls of the Ann Bancroft Foundation.

Once again thank you so much for your help - we so appreciate your generosity! We look forward to continued partnership with On Site for years to come.
