As we approach the one year anniversary of the 35W Bridge Collapse this August 1st, we are reminded of the response from other Police Departments, Fire Departments, Emergency Medical Services, and Private Businesses that began within minutes of the collapse and continued for weeks throughout the entire incident.

Agencies provided personnel and equipment, private businesses provided food, equipment, supplies, and support. The response to the Minneapolis Police Department was overwhelming.

On behalf of the Minneapolis Police Department I would like to personally thank you for your contributions and dedicated service to the City of Minneapolis and its citizens during this massive tragedy.

Please accept with our thanks and gratitude the 35W Bridge Collapse Service Award which we have included with this letter.

Sincerely,

Timothy J. Dolan
Chief of Police
Minneapolis Police Department
