

March 1, 2012

To whom it may concern,

The Uptown Association has proudly contracted with On Site Sanitation for over 10 years and counting. They continue to provide excellent rental support for the Uptown Art Fair in the areas of portable restrooms, sinks, and cardboard receptacles.

The Uptown Art Fair, now in its 49th year, is a complex event with high expectations. Our festival averages 375,000 attendees, but On Site seamlessly meets our needs in spite of the challenges associated with navigating such a large event. Furthermore, their staff is prompt, accessible, reliable, and a pleasure to work with.

I can confidently recommend On Site Sanitation as a solid and reliable vendor, and expert in their field.

Sincerely,

A handwritten signature in black ink that reads 'Megan Allen'.

Associate Director
Uptown Association
